

Clinical Training for Overseas Students

Ninety one students from Chittagong Veterinary and Animal Sciences University, Bangladesh and 5 students from the University Putra, Malaysia are undergoing clinical training program .for a period of one month at the Madras Veterinary College Teaching Hospital. This program is conducted in the Madras Veterinary College under the guidance of the Dean, Madras Veterinary College and the Director of Clinics, TANUVAS. The objective of the program is to offer clinical skill to the pre-final year students. This program also provides an avenue to acquire Indian culture and develop professional link with the students to TANUVAS and vice versa. The program is conducted by the Department of Clinics, Madras Veterinary College
