

TAMIL NADU VETERINARY AND ANIMAL SCIENCES UNIVERSITY
Department of Veterinary Pathology
Madras Veterinary College
Vepery, Chennai – 600 007

WALK – IN INTERVIEW FOR THE POST OF PROJECT ASSISTANT

A walk-in-interview will be conducted for filling up of one temporary post of **Project Assistant** to work in SERB funded scheme entitled “**Role of TLR2 in molecular pathogenesis of cryptosporidiosis: a clue for novel anti-apicomplexan therapeutics**” at Department of Veterinary Pathology, Madras Veterinary College, Vepery, Chennai – 600 007.

The post is purely temporary for about 7 months

The qualifications and remuneration are as follows

Name of the post	Number of post	Eligibility	Remarks	Remuneration
Project Assistant	One	Graduate degree in life science (Microbiology /Biotechnology/Veterinary Science)	Candidate with knowledge on cell culture and handling of microorganisms will be preferred	Rs.12,000 per month (Total emolument)

1. Qualified and interested candidates for this position may Walk-in for a written examination followed by an interview on **25.01.2021 at 10.00 am** to be held at **Department of Veterinary Pathology, Madras Veterinary College, Vepery, Chennai – 600 007**.
2. No TA / DA will be paid for the candidates attending written exam and interview. Candidates have to make their own arrangements for their stay at Chennai.
3. Mere attending of the interview does not guarantee them the appointment and the selection will be based purely on merit. Candidates are requested to produce all original certificates (UG / PG degrees, age proof, experience certificate, publications and any other testimonials that certify their competency to work in the project) at the time of interview.
4. Selection will be made as per the norms of ASRR, TANUVAS.
5. The appointment is purely on temporary basis to work for the scheme “**Role of TLR2 in molecular pathogenesis of cryptosporidiosis: a clue for novel anti-apicomplexan therapeutics**”.
6. The job will be terminated at the time of closure of the scheme.
7. If the performance of the candidate is found unsatisfactory, she/he will be terminated without prior notice.
8. This employment is purely scheme based and temporary appointment. She/he should not claim the period of work for university service.
9. Application may be submitted by email/by post to the address given below on or before **24th January 2021** or on the day of walk-in-interview before 10.00 am.

Job Description

Department of Veterinary Pathology has a SERB funded scheme on **“Role of TLR2 in molecular pathogenesis of cryptosporidiosis: a clue for novel anti-apicomplexan therapeutics”**. The candidate will be working as “Project Assistant” in the scheme. The candidate should have basic knowledge on Cell culture and its maintenance, molecular techniques. Part of the work will be carried out at Indian Institute of Science (IISc) Bangalore, Karnataka. The candidate has to go different places in Tamil Nadu for sample collection followed by laboratory work at Department of Veterinary Pathology, Madras Veterinary College, Chennai-7 and IISc, Bangalore.

Application Format

1. Name :
2. Date of Birth :
3. Gender : Male / Female
4. Age :
5. Nationality :
6. Father's Name :
7. Communication address :
8. Mobile No. and Email :
9. Educational qualification with marks OGPA / Class / Grade :
10. Teaching / Research Experience :
11. Research papers published : National :
International :
12. Training / seminar / Conference / workshop Attended / presented :

	Attended	Presented
National		
International		

13. Work experience :
14. Awards :
15. Present status :
16. Any other :

Signature of the Candidate

Note:

- **Evidences / Original Certificates should be shown in the interview for the SI.No. : 2,4,9,10,11,13, & 14**
- **Photo identity issued by State / Central Govt. or Head of Institution is essential to attend the interview.**
