### Erratum

We regret that in Vol.5(1) January-February 2009 issue, the last part of the article entitled “Microbial quality of fresh chevon and beef in retail outlets of Pondicherry” has been wrongly printed in Page No.35. The corrected part of the article is printed herewith.

---

## ACKNOWLEDGEMENT

The authors wish to sincerely thank the Secretary and the Director, Department of Science, Technology and Environment, Government of Pondicherry for funding the project. The authors also grateful to the Dean, Rajiv Gandhi College of Veterinary and Animal Sciences for providing the necessary facilities to conduct the study.
